DIRECTIONS FOR MARINERS.

Mr. WILLIAM LORD, of Stonington Point, has erected an iron spear, about 13. feet long, with a white vane on the top, upon the Rock of Latimer in Fisher-Island-Sound. The deepest channel is to the northward of the rock. This gentleman has it on contemplation, if suitable encouragement should be given by gentlemen from the eastward and westward (who are owners of navigation, and are constantly passing the Sound) to erect a spear upon what is called the Tail of Watch-Hill-Reef--Another upon the Katumacut-Rock, Upon the same Reef--One upon Ellis' Reef, which lies off Ram-Island, and is almost in the middle of the Sound. These rocks are seldom, any of them, out of the water, and much in the way of Coasters up and down the Sound, who are unacquainted.

This Society consists of such as have actually navigated the seas near or beyond the Cape of Good Hope, or round Cape Horn, as masters or commanders of vessels, and such as have been factors, or supercargoes of vessels, employed in the East India trade. It was instituted for the purpose of collecting together such observations, discoveries, books, papers, charts, and valuable publications in every language, as might tend to facilitate the navigation of the Eastern and Southern Oceans. Every member returning from sea is bound to present to the Society an abstract of the journal of his voyage, and to communicate in writing his observations of the bearings and entrances of all capes and headlands; of latitude and longitude of islands, rocks and shoals; unusual occurrences; storms and accidents; with all other observations, which he may judge useful to be recorded. The Museum of the Society already exhibits a handsome collection of curiosities.

The Dispensary is kept at the Sign of the Good Samaritan, No. 13, Cornhill.

The above Institution, though yet in its infancy, has afforded the means of relief to many necessitous persons, among others, whose feelings would have been hurt by an application for assistance from the Alms-House; as they are, by this charity, attended, free of any expense, by an able Physician, either at their own houses, or at the Dispensary, as the case may require, and furnished with whatever medicine they may need, and with wine, if necessary.

CONVENTION

Of the Congregational Ministers in the Commonwealth of Massachusetts.

Their Meeting is held in Boston, in the afternoon of the last Wednesday in May (or day of Election) annually and on the following day at noon, after transacting the usual business of Convention, a Sermon is delivered in public before them, and a collection made for the charitable purpose of relieving the indigent widows of the deceased Clergymen.

The Convention is a voluntary Association, embracing all of the Congregational Clergy of the Commonwealth, and vested with no particular authority or control over the Churches. They have opened a friendly correspondence with the General Assembly of the Presbyterian Church, in the Middle and Southern States, and with the representative bodies of the Congregational Ministers in Connecticut, New Hampshire and Vermont, for the purposes of communicating and receiving from them whatever may tend to promote the interest of Christianity.

A Standing Committee of Convention have been appointed for the purpose of certifying the good character and qualifications of Ministers and Candidates who may travel into other States; and an agreement has been entered into between the Convention and the

other representative bodies of Ministers in other States, mutually to communicate the names of their Committees for this purpose. Every certificate must be signed by one gentleman at least of that Committee, from whose bounds the person recommended travels.

THE COMMITTEE IN MASSACHUSETTS CONSISTS OF THE FOLLOWING GENTLEMEN-- viz:

| Rev. | | Rev. | |

| Joseph Willard, D.D. L.L.D. | | Jed. Morse, D.D. | Charlestown |

The Convention "earnestly recommend to all young gentlemen, who design to devote themselves to the work of the ministry, to spend that portion of time in the study of divinity, which improved and judicious advisers shall think necessary to qualify them for public teachers."

The Congregational Ministers throughout the Commonwealth, with some exceptions, are associated, and have regular stated meetings for fellowship and mutual improvement. The Convention have passed a vote, requesting the Moderator or Scribe of the several Associations throughout the Commonwealth, to forward to the Scribe of the Convention, a correct list of the members of their respective Associations, with the name of the Scribe of each, and the Candidates licensed by them; and have directed that the Scribe of the Convention procure the insertion of the several lists in the Massachusetts Register.

The Convnetion, solictious to collect and preserve accurate documents for a History of their Churches, have passed a vote, that each of the Congregational Ministrers in Massachusetts be requested to compile a history of his own Church, and of those in his vicinity which may happen to be vacant, and to make returns to the Scribe of the Convention. It is hoped, this important request will not pass unnoticed, but be productive of great good.

T H E Subscribers gratefully

acknowledge the assistance they have received from Gentlemen in various parts of the State, and respectfully ask a continuance of their favours. They also request that future Communications may be made as early as the 1st of September; and as in many instances the information received from Gentlemen in the same county has essentially varied, it is requested that no alteration may be made where there is any doubt of its accuracy.

In presenting this number of the Register to the Public, the Publishers solicit their candor, as they have experienced disadvantages which in future they will be able to avoid. They are establishing correspondences with Gentlemen in various parts of this State, and at the seat of General Government, which they flatter themselves will enable them to make the future numbers more deserving of public patronage.
